Application of Sierra Pacific Power Company d/b/a NV Energy, filed under Advice Letter No. 680-E, to implement Net Metering Rider-2025 Schedule No. NMR-2025 and to close Net Metering Rider-405 Schedule No. NMR-405 to new customers.	)	Docket No. 25-03006

PROCEDURAL ORDER NO. 15

The Presiding Officer in this Docket makes the following findings and conclusions:

1. On November 20, 2025, the Public Utilities Commission of Nevada ("Commission") issued a Modified Final Order in this matter.

2. On April 3, 2026, the Commission issued an Order with a revised compliance at paragraph 7, which required Nevada Power Company d/b/a NV Energy ("NV Energy") to provide a status update regarding efforts to promote customer understanding of the daily demand charge.

3. On October 1, 2026, NV Energy filed with the Commission a status update regarding its efforts to promote customer understanding of the daily demand charge in compliance with the Commission's Order.

Procedural Schedule

4. The presiding officer has become aware of additional information disseminated by NV Energy that explains in more detail how the daily demand charge will be implemented. Accordingly, the following procedural schedule is hereby established:

(a) The presiding officer requests that NV Energy file with the Commission and serve on all other parties of record COMMENTS by WEDNESDAY, DECEMBER 2, 2026, at 12:00 p.m. The comments shall include:

(i) An explanation of which components of a net-metering customer-generator's NV Energy bill can be offset by the electricity produced by the customer-generator's solar energy system. The explanation should, for each such bill component, include a discussion of whether the offsetting results in a shifting of costs from customer-generators to other customers.

(ii) Any information not previously provided in this docket, whether in summary or document form, that explains how the daily demand charge will be implemented.

(iii) Any information not previously provided in this docket that explains how NV Energy will account for revenues received from the daily demand charge.

(iv) Any information not previously provided in this docket, whether in summary or document form, regarding NV Energy's tariff changes approved or requested that include or affect the implementation of the daily demand charge.

(b) Any other party may file with the Commission and serve on all other parties of record RESPONSIVE COMMENTS by WEDNESDAY, DECEMBER 9, 2026, by 12:00 p.m.

(c) The presiding officer will hold a WORKSHOP to discuss daily demand charge implementation on TUESDAY, DECEMBER 15, 2026, at 11:00 a.m. in person at the Commission's offices and via Microsoft Teams.
