

BEFORE THE PUBLIC UTILITIES COMMISSION OF NEVADA

NOTICE OF APPLICATION FOR FEDERAL APPROVAL
TO CONSTRUCT A UTILITY FACILITY

On January 27, 2026, Copia Digital, LLC (“Copia Digital”) filed with the Public Utilities Commission of Nevada (“Commission”) a notice, designated as Docket No. 26-01035, under the provisions of the Utility Environmental Protection Act, of an application to a federal agency for approval to construct the Bergen Data Center Transmission Line Project consisting of two up to 500 kilovolt transmission lines approximately 0.85-miles long and associated facilities to connect to the Bergen Data Center Facility to the Harry Allen Substation, to be located on federally-managed land in Clark County, Nevada.

This notice serves only to notify the public that the Commission has received the above-referenced filing. It is the responsibility of interested persons to review the filing and monitor the proceedings to determine their desired levels of involvement based on how this matter may affect their unique situations. The details provided within this notice are for informational purposes only and are not meant to be an all-inclusive overview of the filing.

Copia Digital filed the notice of application pursuant to the Nevada Revised Statutes (“NRS”) and the Nevada Administrative Code (“NAC”) Chapters 703 and 704, including, but not limited to, NRS 704.870(2) and NAC 703.421.
