BEFORE THE PUBLIC UTILITIES COMMISSION OF NEVADA

Petition of the Regulatory Operations Staff for an Order to Appear and Show Cause to Determine Why Certificates of Public Convenience and Necessity, Licenses, or Permits should not be Revoked, Why Administrative Fines should not be Imposed, and/or Why Administrative Action should not be Taken on Certain Companies that did not Timely Meet Their Regulatory Obligations for Calendar Year 2025 and/or the Period July 1, 2025, through June 30, 2026.

Docket No. 26-100XX

REGULATORY OPERATIONS STAFF'S
PETITION FOR AN ORDER TO APPEAR AND SHOW CAUSE

The Regulatory Operations Staff ("Staff") of the Public Utilities Commission of Nevada ("Commission") petitions the Commission to issue an Order to appear and show cause to determine why Certificates of Public Convenience and Necessity, licenses, or permits should not be revoked, why administrative fines should not be imposed, and/or why administrative action should not be taken on certain Companies¹ that did not timely meet their regulatory obligations for calendar year 2025 and/or fiscal year ("FY") 2026 from July 1, 2025, through June 30, 2026.

COMPANIES INCLUDED IN PETITION: Please see the pages directly following this Petition for additional information and answers to commonly asked questions.

Companies must comply with various regulatory obligations each year: (1) Annual Reporting Obligations; and (2) Financial Obligations. Within "Financial Obligations" are five sub-categories: (a) annual assessment and revenue report and assessment remittance; (b) commercial mobile radio service ("CMRS") report and licensing fee remittance; (c) telecommunication devices for the deaf ("TDD")

¹ For ease of reference, "Company" hereinafter refers to *any and all* persons or entities subject to the jurisdiction of the Commission for purposes of regulatory obligation enforcement, whether or not such persons or entities are subject to the Commission's full jurisdiction, including but not limited to, the following: public utility, alternative seller, provider of discretionary natural gas service, liquefied petroleum gas provider, provider of new electric resources, telecommunication provider, mobile home park, holder of any CPC, license, or permit issued by the Commission.

1 report and surcharge remittance; (d) Nevada Universal Service Fund (“NUSF”) remittance report; and
2 (e) universal energy charge (“UEC”) report and remittance.

3 To be “compliant,” the requisite reports and remittances must be “accepted” for processing or
4 filing by the Commission *on or before the due date*. The Commission only accepts materially *complete*
5 *and accurate* reports *and* remittances (where applicable); it will not process partial or inaccurate
6 submissions. A list of companies (“Order to Show Cause List” or “OSC List”) that failed to timely
7 comply with their regulatory obligations is attached hereto and incorporated herein by reference.²

8 The Commission has various enforcement remedies³ available to ensure compliance with
9 regulatory obligations, including the revocation of any certificate of public convenience and necessity
10 (“CPC”), license, or permit issued by the Commission. Nevada Revised Statutes (“NRS”) 703.377.
11 The Commission may also impose administrative fines where a Company: (a) violates any applicable
12 provision of NRS Chapters 703, 704, 704B, 705, or 708; (b) violates any Commission rule or
13 regulation; or (c) fails, neglects, or refuses to obey any order of the Commission.⁴ NRS 703.380.

14 **Annual Reporting Obligations**

15 Mobile Home Parks: Pursuant to NRS 704.960, each landlord/owner of a manufactured home
16 park, mobile home park, or company town who is billed by a utility or alternative seller and in turn
17 charges the tenants for the service provided by the utility or alternative seller must submit an annual
18 report to the Commission *not later than March 30* of each year for the preceding calendar year. NRS
19 704.960 and Nevada Administrative Code (“NAC”) 704.987 provide the information to include.

20 Telecommunications: Pursuant to NAC 704.7483(1), each telecommunication provider must
21 submit an annual report to the Commission *not later than May 15* of each year for the preceding
22 calendar year. Pursuant to NAC 704.7483(2), each competitive supplier of telecommunication services
23

24 ² The OSC List consists of three Exhibits: **Exhibit No. 1** (UEC obligation); **Exhibit No. 2** (mobile home parks
25 annual reporting obligation); and **Exhibit No. 3** (all other obligations/Companies). **Exhibit No. 3** does not include those
Companies whose CPCs, licenses, or permits have been cancelled or revoked as of the date of this filing.

26 ³ See, e.g., Nevada Revised Statute (“NRS”) 702.170 and Nevada Administrative Code (“NAC”) 702.400 (UEC);
NRS 704.9901 (provider of discretionary natural gas service); NRS 704.998 (alternative seller); NRS 704B.360 (eligible
customer).

27 ⁴ For non-compliant companies deemed “dissolved” or “cancelled” or having licenses marked as “revoked,”
28 “withdrawn” or “in default” on the Secretary of State’s website, Staff recommends revoking all Commission-issued
authorizations. Should such a company disagree with its status as reflected on the Secretary of State’s website, that company
should file explanatory comments in this docket accordingly.

1 must submit the information required by NRS 704.68871 *not later than May 15* of each year for the
2 preceding calendar year. Pursuant to NAC 704.680465, each Eligible Telecommunications Carrier
3 (“ETC”) must also submit the information required by NAC 704.680461.

4 Liquefied Petroleum Gas (“LPG”) Distribution System: Pursuant to NAC 704.533, an LPG
5 operator must submit an annual report to the Commission *not later than May 15* of each year for the
6 preceding calendar year. NAC 704.225 and 704.534 provide the information to include.

7 All Others: Pursuant to NRS 703.191, each public utility, alternative seller, provider of
8 discretionary natural gas service, and provider of new electric resources (as defined in NRS Chapters
9 703, 704, and 704B) must submit an annual report to the Commission *not later than May 15* of each
10 year for the preceding calendar year. NAC 704.225 provides the information to include.

11 **Financial Obligations**

12 A. Annual Revenue and Assessment Report and Assessment Remittance

13 Pursuant to NRS 704.033, 704.035, and 704B.360, each public utility, alternative seller,
14 provider of discretionary natural gas service, and eligible customer must submit a revenue report and
15 remit an annual assessment⁵ to the Commission *not later than July 1* of each year based upon its gross
16 operating revenue for the preceding calendar year.⁶

17 B. CMRS Report and Licensing Fee Remittance

18 Pursuant to NRS 704.033, each CMRS provider must submit a report and remit an annual
19 licensing fee to the Commission *not later than July 1* of each year for the preceding calendar year.

20 C. TDD Report and Surcharge Remittance

21 Pursuant to NRS 427A.797 and NAC 707.020-040, a surcharge is imposed on each customer
22 access line of a carrier⁷ in Nevada to fund a program for the provision of telecommunication devices
23 to persons who are deaf or have severely impaired speech or hearing (“TDD”).⁸ The TDD obligation
24
25

26 ⁵ The annual assessment is set in accordance with NRS 704.033.

27 ⁶ Each Company may elect to remit the annual assessment quarterly on July 1, October 1, January 1, and April 1.

28 ⁷ NAC 707.010(6) defines “Line of Access” as “any connection between a customer and a carrier that provides the customer with access to telecommunications in Nevada.” NAC 707.010(1) defines “Carrier” as “[a]n intraexchange carrier; and [a] provider of commercial mobile radio service.”

⁸ The Commission sets the amount of the TDD Surcharge each year pursuant to NAC 707.020.

1 is based on access lines, and therefore, not limited to only CPC or CMRS providers, but also applies to
2 providers of Voice over Internet Protocol (“VoIP”) service. *See* NRS 427A.797.

3 Pursuant to NAC 707.030, each Company must collect the surcharge from customers, then
4 submit a report and remit the collected surcharge to the Commission *not later than October 31, January*
5 *31, April 30, and July 31* for the three full months immediately preceding that date.⁹ The TDD
6 reporting period runs from July 1, 2025, to June 30, 2026 (*i.e.*, FY 2025). The TDD quarters included
7 in this Petition are as follows:

- 8 • Quarter 1 (“Q1”): October 31, 2025 (July 1, 2025 – September 30, 2025);
- 9 • Quarter 2 (“Q2”): January 31, 2026 (October 1, 2025 – December 31, 2025);
- 10 • Quarter 3 (“Q3”): April 30, 2026 (January 1, 2026 – March 31, 2026); and
- 11 • Quarter 4 (“Q4”): July 31, 2026 (April 1, 2026 – June 30, 2026).

12 D. NUSF Remittance Report

13 Pursuant to NRS 704.040(5) and NAC 704.68054, unless prohibited by federal law, an
14 assessment is imposed on “all persons furnishing intrastate telecommunication service or the functional
15 equivalent of such service through any form of telephony technology” in Nevada to maintain the
16 availability of telephone service (“Nevada Universal Service Fund” or “NUSF”).¹⁰ The NUSF
17 obligation is based on *all intrastate telecommunication service*, and therefore, not limited to only CPC
18 or CMRS providers, but also applied to providers of VoIP service.¹¹ *See* NRS 704.040.

19 Pursuant to NAC 704.68054, each Company must submit a report and remit the NUSF
20 assessment to the NUSF independent administrator, Solix, Inc. (“Solix”), “on a quarterly basis *not later*
21 *than 30 days after the last day of the month in the calendar quarter.*”¹² Each year, Solix files with the
22 Commission a report (“Solix NUSF Report”) providing a list of the Companies that did not timely
23 remit the NUSF report and proof of service for late notices sent by Solix. On August 14, 2026, Solix

24 ⁹ Each Company that has zero access lines (also known as a “zero filer”) may elect to remit a TDD letter no later
25 than the Quarter 1 deadline (October 31) to cover the entire yearly reporting period (through June 30).

26 ¹⁰ The Commission sets the amount of the assessment each year pursuant to NAC 704.68054.

27 ¹¹ The Commission has addressed the jurisdiction of VoIP providers in prior proceedings. *See* Commission’s
28 Modified Order at Paragraph 117, Docket No. 17-09021, issued May 7, 2018; Commission’s Order at Paragraph 128,
Docket No. 16-09007, issued April 4, 2017. Staff believes the TDD and NUSF obligations are applicable to such
Companies for purposes of enforcement and has included them in the instant Petition. Because the Commission cannot
revoke VoIP providers’ ability to operate in Nevada, Staff recommends that the Commission impose greater fines on VoIP
providers who have repeatedly failed to comply with their regulatory obligations under Nevada law.

¹² Each Company with zero intrastate revenue (“zero filer”) may elect to remit the NUSF assessment yearly by April
30 and pay a \$10 minimum assessment to cover the year reporting period.

1 filed the Solix NUSF Report for the period covering July 1, 2025, to June 30, 2026, designated as
2 Docket No. 26-08003.

3 The NUSF *reporting* period covers a calendar year.¹³ This Petition, however, utilizes an
4 *enforcement* period corresponding to the TDD (fiscal) period above. Due to the nature and timing of
5 the show-cause proceeding, Staff believes this approach will facilitate efficiency and consistency, and
6 promote economic use of Commission resources.¹⁴ The NUSF quarters included in this Petition are as
7 follows:

- 8 • Q3-2025: October 30, 2025 (July 1, 2025 – September 30, 2025);
- 9 • Q4-2025: January 30, 2026 (October 1, 2025 – December 31, 2025);
- 10 • Q1-2026: April 30, 2026 (January 1, 2026 – March 31, 2026); and
- 11 • Q2-2026: July 30, 2026 (April 1, 2026 – June 30, 2026).

12 E. UEC Report and Remittance

13 Pursuant to NRS 702.160, a universal energy charge (“UEC”) is imposed on each “retail
14 customer” (as defined in NRS 702.090) to fund a program for providing energy assistance.¹⁵ Pursuant
15 to NAC 702.340, each Company must collect the UEC from customers,¹⁶ then submit a report and
16 remit the collected UEC to the Commission “[n]ot later than 30 calendar days after the end of each
17 calendar quarter.”¹⁷

18 The UEC *reporting* period covers a fiscal year.¹⁸ For the reasons stated above, this Petition
19 utilizes an *enforcement* period corresponding to the TDD period. The UEC quarters and reporting dates
20 included in this Petition are as follows:

- 21 • Quarter 1 (“Q1”): October 31, 2025 (July 1, 2025 – September 30, 2025);
- 22 • Quarter 2 (“Q2”): January 31, 2026 (October 1, 2025 – December 31, 2025);
- 23 • Quarter 3 (“Q3”): April 30, 2026 (January 1, 2026 – March 31, 2026); and
- 24 • Quarter 4 (“Q4”): July 31, 2026 (April 1, 2026 – June 30, 2026).

25 Conclusion

26 Staff requests the Commission issue an Order to Appear and Show Cause for the Companies
27 referenced in Exhibit Nos. 1-3 to determine why their CPCs, licenses, or permits should not be revoked,
28

26 ¹³ The Solix NUSF Report cites a “fiscal year”; however, the dates used correspond to a calendar year.

27 ¹⁴ The NUSF Q1-2025 and Q2-2025 were included in the previous show cause in Docket No. 26-01021.

28 ¹⁵ The UEC is set in accordance with NAC 702.310.

¹⁶ NAC 702.350 and NAC 702.360 provide additional persons or entities required to collect or pay the UEC.

¹⁷ Some Companies may elect to remit the UEC earlier for any calendar quarter. NAC 702.370.

¹⁸ The 2026 fiscal year is July 1, 2025, to June 30, 2026.

1 why administrative fines should not be imposed, and/or why administrative action should not be taken.
2 The Companies referenced in **Exhibit No. 1** failed to timely comply with the UEC Obligation for the
3 period July 1, 2025, through June 30, 2026. The mobile home parks referenced in **Exhibit No. 2** failed
4 to timely comply with the Annual Reporting Obligation for calendar year 2025. The Companies
5 referenced in **Exhibit No. 3** failed to: (a) timely comply with the Annual Reporting Obligation; and/or
6 (b) timely comply with one or more of the Financial Obligations for calendar year 2025, and/or for the
7 period July 1, 2025, through June 30, 2026.

8 THEREFORE, Staff requests that the Commission issue an Order:

- 9 1. For the Companies referenced in Exhibit Nos. 1-3 to appear and show cause why their
10 CPCs, licenses, or permits should not be revoked, why administrative fines should not be
11 imposed, and/or why administrative action should not be taken for not timely meeting their
12 Regulatory Obligations; and
13 2. For such further relief as the Commission may deem just and proper.
14

15 RESPECTFULLY SUBMITTED this 6th day of October 2026.
