Re: Notice by Switch Business Solutions, LLC, DigitalBridge Group, Inc., and Duncan Holdco LLC of a transaction that will result in a transfer of control of a telecommunication company.

Dear Ms. Osborne:

The Public Utilities Commission of Nevada ("Commission") opened Docket No. 26-03024 in response to a filing made by Switch Business Solutions, LLC, DigitalBridge Group, Inc., and Duncan Holdco LLC (the "Parties"), notifying the Commission of a transaction that will result in a transfer of control of a telecommunication company.

Upon consummation of the Proposed Transaction, DigitalBridge Group, Inc. ("DigitalBridge" or "Transferor"); Switch Business Solutions, LLC ("Licensee") and Duncan Holdco LLC ("Duncan" or "Transferee") (collectively the "Parties"), Duncan will acquire indirect controlling interest in DigitalBridge, which will result in the indirect transfer of DigitalBridge's indirect interest in Licensee to Duncan and its ultimate parent company SoftBank Group Corp. ("SoftBank"). The Proposed Transaction will not involve the transfer of any authorizations or assets held by Licensee which will continue to operate its business as it does today without disruption.

Duncan is a Delaware limited liability company and the indirect Parent company of Licensee Switch Business Solutions LLC, a Nevada limited liability company that holds Certificate of Public Convenience and Necessity No. 2841 and is authorized to provide telecommunication services in Nevada.

The Parties state that the Proposed Transaction will not involve a transfer of any certificates of public convenience and necessity or assets held by Switch Business Solutions LLC, the operations of which will continue as they do today with no disruption.

The Parties assert and verify that this transaction falls within the exemption provided in Nevada Revised Statutes ("NRS") 704.329 regarding Commission approval of mergers of telecommunications companies. In particular, the Parties assert that the exception listed in NRS 704.329 (6) (b) applies in that Switch Business Solutions LLC or any entity that holds a controlling interest in Switch Business Solutions LLC derives less than 10 percent of its revenue from intrastate telecommunications services provided to retail customers in Nevada. Pursuant to NRS 704.329 (6) (d), the Regulatory Operations Staff ("Staff") or the Consumer's Advocate may request an order from the Commission requiring the Applicants to file an application for authorization of the proposed transaction in the above-referenced matter. The request must be made no later than 30 days after the date on which the notification of the proposed transfer of control has been provided pursuant to NRS 704.329(6)(d). Neither Staff nor the Consumer's Advocate filed a request for such an order. Therefore, Staff recommends the docket be closed.

If you require assistance, I can be reached at (775) 684-6121. Thank you for your attention.

Sincerely,

/s/ Don Lomoljo
